

Principal's Newsletter

Dear Christ the King Families,

This week, we celebrate Catholic Schools Week across the Diocese and we pause to give thanks to all of you for your continued support and commitment to Catholic education. We will end the week with a Color Run tomorrow morning. The students were assigned a specific color and this will be their team for the many races they will compete in. They are free to wear anything in their color except face paint or hair dye spray. I am excited to see the races and I look forward to ending the week on a positive note.

Reserved Parking

I want to remind parents that the *reserved parking spaces* in the front of school are *reserved* for the winners who purchased them at the Main Event. It is done by calendar year so the new winners have the spaces from January through December. Please *do not* park in the spaces if you didn't win. If you would like one next year, please attend the Main Event and be the highest bidder. Thank you for your understanding and cooperation.

MathCounts

Our MathCounts Team has their first competition this Saturday at the University of Toledo. Good luck to all the students who have been practicing hard the last several weeks. I know you will represent Christ the King well.

Registration

Registration has begun and we have seen many families submit their forms for next year. Please take the time to register and if you are thinking of not returning, please let me know so I can make the necessary improvements. Open House is next Sunday; we are still in need of tour guides and student volunteers. Teachers should send something home if they need a student to help in their room, and if you are willing to help as a tour guide please call the office. Thank you for your help.

2017-2018 Academic Calendar

I mentioned last week that we were in the process of finalizing our calendar and were hoping to have it to you this week. We did it! We included a copy in this newsletter, in the brown envelope, *and* on the website.

Enjoy your week!

In Christ,
Mr. Joe Carroll

The Christ the King School
2017-2018 Academic Calendar
has been finalized.

Girls in
Grade 3-5**

Empowered...strong...inspiring...healthy...
FUN! These are just a few of the words that
have been used to describe the Girls on the
Run program from past participants. We are
excited to announce that the Girls on the Run program
is returning to Christ the King for another season!

We had so much fun and learned so much last spring that
we cannot wait to do it all again! We will offer a different
curriculum with new games and activities, but will focus
on the same core values and tackle important life lessons.
New participants are encouraged to sign up and girls who
have already completed the program are invited back.

The season will start in early March with practices on
Tuesday from 6-7:30pm and Friday from 2:45-4:15pm.

Registration information will be sent home in
February and online registration will open on
Tuesday, February 7th at 9:00pm. Please
email Lindsey Miller (lmiller@cktoledo.org)
or visit www.GirlsonTheRunNWOhio.org for
more information on this incredible, life-changing program!
