

Purchase a book from our Preschool teacher and help support the CK Parents' Club !

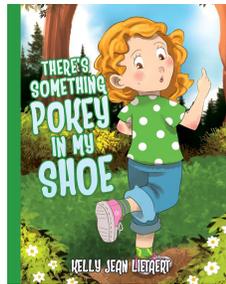

Kelly Lietaert is our new 3-year-old preschool teacher, and also the author of two children's books. As an educator, she understands the importance of reading, and is thrilled to be able to offer her books for purchase. Kelly will donate 10% of her total sales to our Parent's club. These little books teach big lessons! Each book will be personalized with your child (or children's) name and signed by Kelly. Books can be picked up in the office the week of December 17th - perfect for Christmas gift giving!

Have you ever wanted to do something and were told you couldn't because you were too small? Sweet Lizzie understands your frustration. Read along and hear all about Lizzie's big plans and how her mommy inspires her to enjoy her life as it is today. As her eyes open to all of the fun things she can do right now, you will be encouraged, too. Choosing to be content is a great decision for everyone.

Have you ever had one of those days? Little Lizzie had a day full of fun planned, but then things started to go downhill. Follow along on each rhyming page and discover how being patient, asking for help, and keeping a positive attitude can make any situation better. We first met Lizzie in the book I WISH I WAS BIG - and she is back again to encourage us to make the right choices, even when we want to stomp our feet in frustration. A great reminder for every age!

ORDERS DUE BY *December 14th, 2018*
