

# Principal's Newsletter

Dear Christ the King Families,

I hope that everyone has had a great week and survived the heat. I can't believe we are still hitting 90 degrees with such high humidity. We are doing everything we can to keep the children safe and cool. I know it is hard to concentrate when we're all really hot. Hopefully, all of you filled out the survey regarding the possible changes to the parish, grounds and school.

I am looking forward to the upcoming three-day weekend, and spending time with family and friends. We can return on Tuesday looking forward to a four-day week.

I have a couple announcements this week so please read through to the end.

## Magazine Sale

We kicked off our annual Parents' Club fundraiser yesterday with an exciting and fun-filled assembly. All the students came home with a packet of information and catalogs of items to sell. With your help in this, the Parents' Club can continue their outstanding support of our school.

## Early Dismissal

I understand that students need to go to different appointments during the year and sometimes the only availability is during school. I've noticed from the end of last year and most recently yesterday's school Mass, kids are leaving early on Wednesdays. Our school Mass is just as important as the time spent in the classrooms. Students need to understand its importance and offer God an hour and pray in thanksgiving. This can't be done if they are always leaving for appointments on Wednesday afternoons. Please keep this in mind when scheduling future appointments. If they don't come with a note for early dismissal on Wednesdays, they will need to wait until Mass is over. Mrs. Miller will not be going into church and disrupting an entire class.

## Picture Day

Just a reminder, picture day is next Wednesday, September 5th, for students in 4-year-old preschool through 8th grade. Except for 8th graders (and preschoolers), all students are to be in uniform. The order form is in today's Brown Envelope or you can order online at <http://bit.ly/CKPictures> with school code: **30663YA** \*Please note that 8th graders have a separate order form.

Enjoy the holiday weekend!

In Christ,  
Mr. Joe Carroll

Hello Parents, Guardians, and families of Christ the King students!

My name is Rhea Jagodzinski, the children call me Mrs. J., and I am your child's school nurse. This is my tenth year at Christ the King and I have been a Registered for 35 years, and a Licensed School Nurse for over 24 years.

Welcome to the 2018-2019 year! It is again with great pleasure that I am a part of your child's educational and personal growth while at Christ the King. Healthy students are healthy learners! The Leader in Me Habits we practice here at Christ the King are excellent

ways for the children to be in charge of what it means to have a healthy lifestyle.

The following information will be helpful to you this year and never hesitate to phone me if you have questions and/or concerns regarding your child. Please also consult the handbook for other health related information.

School Clinic office hours are: 9:00am to 2:30pm Monday through Friday  
Please call the clinic number, 419-214-5635 should you need to speak with me, report illnesses or other pertinent health care issues.

I would like to call your attention to some very important matters that concern the health records of the students. It is imperative that ALL Emergency Medical Authorizations forms are turned into the school as soon as possible.

There are certain Immunization requirements for those entering Kindergarten and Seventh grade and these must be on record for the new school year. The State of Ohio mandates that a completed immunization record for your child be turned in for their health folders.

If your child has had any new immunizations, please send their record in regardless of grade they are entering.

I want to personally thank those who have already submitted these items to the office. State health verification requirements are to be filed soon and I would like our school to be in 100% compliance. I will be sending out emails if I have questions concerning your child's health information.

Vision and Hearing screenings for students "new" to the school, and those in K, 1st, 3rd, 5th and 7th grade levels will begin in the months ahead so that I may assess the needs of the students. If your child wears glasses or contacts, hearing aids or adaptive equipment, please make sure that they wear/use them as prescribed. Should you feel that there may be a need for your student to have these screenings and they are not in the mentioned grade levels, please send in a note or email me with your request/need.

This is the time of the year when seasons change and a "batch of new germs" arise among the students; allergies and asthma may flare up, along with colds and runny noses. Please make sure that the children are washing their hands, eating well, and getting enough rest/sleep. (Hand washing is our most important defense!) Let us be great role models for the children!

#### IMPORTANT NOTE:

If it is necessary to administer medications at school, prescribed or over-the-counter, this includes rescue inhalers, Epi-Pen injectors, and aerosol treatments, specific forms must be filled out by both the parent/guardian and the physician. Please contact me if you feel that this may apply to your child. Forms may be downloaded from our CK school website.

Please note that no child is to carry medicines on their person unless specifically directed by their physician (Epi-Pens and Inhalers are allowed if proper forms have been completed.)

Again, I am looking forward to keeping the school and the children in the best of health!

Rhea (Mrs. J)
