

# Principal's Newsletter

Dear Christ the King Families,

It's hard to believe we will have a *four*-day week. I hope all the kids and teachers will be able to make it through Friday, since we have enjoyed several three-day-only weeks recently. Hopefully we will be able to get back into a nice routine and work through the unpredictable winter weather.

The band students are performing tonight at 7pm in the gym. Please come out and support them and see how hard they've been working!

## Extended Day

I want to remind parents who have children in Extended Day that you need to be the one to sign them out when they are picked up. Thank you for your cooperation and understanding regarding this issue. I know it can be easier to send an older child out in the cold to pick up, but we need to follow all protocol.

## Hot Lunch Deadline

The deadline to [order hot lunches](#) for the month of February is tomorrow, January 19th, at midnight. You need to be completely checked out for your order to be submitted. Also, the deadline to order *Hot Dog lunches* (through May) is Friday, January 26th. This is separate from the Lunch Works program; the order form went home in last week's Brown Envelope. If you misplaced your form, we do have extra copies in the main office.

Because of the short weeks, this newsletter is short as well.

Enjoy your week!

In Christ,  
Mr. Joe Carroll

## COLD & FLU SEASON IS UPON US!

Dear Parents and Guardians of children at Christ the King,

We are in Cold and Flu Season...  
A few friendly reminders...

Please do not send your child to school if he/she has or as had:

1. Fever of 100 degrees within the last 24 hours (must be fever free without medication)
2. Vomiting or diarrhea within the last 24 hours
3. Continuous coughing not relieved with cough medicine

If your child is going to require medication administration here at school, a form must be filled out by you and the prescribing physician. This [form](#) is available to download on the Christ the King website.

As many people are getting colds and some with the flu, we would greatly appreciate your assistance in preventing the spread of germs and illnesses within our school. Please help us in reinforcing to your children good health habits to protect themselves as well as others:

1. Plenty of rest and good nutrition
2. Do not eat or drink from same utensil or container after someone else.
3. Keep hydrated by drinking a lot of fluids. Water bottles may be brought to school.
4. When coughing or sneezing, use your "cough corner" or cover your mouth and nose with a tissue. Proper disposal of tissues and hand sanitizing afterwards.
5. Practice frequent hand washing with soap and water as this is the best way to prevent the spread of germs. (Sing the Happy Birthday song while you wash your hands!)

Since some students may need to be picked up when they become ill at school, we do need current telephone numbers and contact information. Please inform the school office if you have had a change in your information.

Thank you in advance for working with us and being proactive in keeping the students and staff as healthy as possible during this cold and flu season.

In Health,

Mrs. J and Christ the King School Administration
