Christ the King is proud to welcome new staff!

Fr. Joseph is our new associate pastor from the state of Kerala, India. He is a member of the Pallottine Order of priests, found by St. Vincent Pallotti in the 19th century. The Pallottines are dedicated to serving the poor and the outcast in society. Fr. Joseph has visited our classrooms to share his story. Here he shows how he lived and worked in an orphanage for children with AIDS and HIV. He has made us think about how many things we have here and do not appreciate. He has also challenged us to have joy in our lives. "Children who have so little in my country are more joyful than some of you who have so much!" We feel so blessed to have Fr. Joseph here. He has learned how to make snow angels and to shovel the driveway! He also must drive on the opposite side of the road! He is a good soccer player, and also plays cricket. We are very glad that he is with us at Christ the King.

Mrs. Adrienne Milano is our new 4th grade teacher. She grew up in Toledo where she went to OLPH grade school, Central Catholic High School, and then Lourdes University, where she received my undergraduate and M.Ed in education. She and her family are parishioners at Christ the King. Mrs. Milano loves to travel and read in her free time, along with cheering on Notre Dame and the Detroit Tigers. She says that teaching at Christ the King is an amazing experience! **Mrs. Sarah Stacy** is our new school counselor. She received her Masters at the University of Toledo and has worked at Sylvania Schools in the past. Her goal is to help students have a safe and positive learning environment in which all children can grow to be the best version of themselves.
